The Honorable Kay Granger
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Lebanon, NH Mechanic Street Sidewalk project in fiscal year 2022.

The entity to receive funding for this project is the City of Lebanon located in 51 N Park St, Lebanon, NH 03766.

The funding would be used for the construction of a pedestrian sidewalk on Mechanic Street in Lebanon, NH. Currently, this section of road is heavily trafficked by both pedestrians and vehicles creating dangerous conditions on the roadway. The construction of sidewalks would contribute greatly to public safety and increase transportation and recreation options for residents and commuting workers.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ann McLane Kuster
Member of Congress
